[#] Customers who purchase shares issued by companies resident in Italy with market capitalization of more than EUR 500 million and listed in Hong Kong have to pay Financial Transaction Tax to the Italian Government and the applicable tax rate is 0.20% starting from 2014 (subject to changes according to the Italian authorities). The tax payable is determined on the basis of the net increase of stock holding of weighted average purchase price of the same securities in the single day in each securities account.

^v If there are any updates, the relevant interest rate in Margin Securities Account will be effective on the next working day following the date of update.

[^] Securities Margin Trading Service is applicable to Single-Named Account only. Private Banking Account, Non-Personal Account and Joint-Named Account are not applicable.

[~] This fee will not be refunded upon successful allotment of shares in any quantity. However, this fee will be refunded within 3 months in case of unsuccessful allotment.

* The above charge items 7 & 22 are collected on per Securities Account/Margin Securities Accounts basis.

** The above charge items 19 & 20 are applicable to HKD securities only.

^Δ Free quotes offered to customers for each month can only be enjoyed during that particular month. Unused free quotes of a particular month will be cancelled at month end.

General Bank Customer refers to both personal and non-personal customers of the Bank, unless otherwise specified.

For the definition and details of 328 Business Banking Customer (Premium Status), please refer to the Bank's website at www.dahsing.com/biz/reward/en.

In the event of any discrepancy or dispute as to the meaning of any provision, the English text shall prevail.

For the service charges in HKD equivalent, the Bank will levy the fee according to an exchange rate set by the Bank. All out-of-pocket expenses are for account of clients.
